- What is the topic that you have finalized? (Answer in 1 or 2 sentences)
Alcohol-related deaths in the UK. It is focused on the years 2018-2022 and includes the IMD quintile which refers to the relative deprivation to highlight whether this made a difference in the number of deaths.
- What are the data sources that you have curated so far? (Answer 1 or 2 sentences).
ONS-dataset.
